## ACADEMIC PROFILE

Ophthalmic surgeon and international educator with 25 years of clinical and surgical experience and 60,000 ophthalmic surgical cases, specializing in cataract and refractive surgery, corneal ectatic disease, CAIRS and additive corneal allograft techniques.

## CURRENT LEADERSHIP & SELECTED HIGHLIGHTS

- Founder and Medical Director, Swiss Vision Group (2026).
- President-elect, AECOS Europe; elected by vote as the first woman and first Turkish physician to hold the presidency (election announced September 2026).
- Founder, Director and Lead Instructor of the International Allograft Surgical Course series; independently conceived, organized and led seven international surgical training courses for participants from multiple countries, providing hands-on education to numerous ophthalmic surgeons.
- Co-developer of KeraNatural, an allogeneic corneal ring segment product developed in collaboration with VisionGift, a US-based eye bank.
- Clinical focus: CAIRS (KeraNatural), Collagen Focus (for presbyopia), additive collagen lenticule surgery, keratoconus management and corneal tomography.
- 60,000 ophthalmic surgical cases; 25 years of clinical and surgical experience (updated professional figures, October 2026).

## INTERNATIONAL PROFESSIONAL POSITIONS

International Society of Refractive Surgery (ISRS) Executive Committe Member (2014)

Editorial Board; Cataract and Refractive Surgery Today Journal

Editorial Board: Journal of Refractive Surgery, Case Report

ISRS International Council Representative for Turkey (2007- Present)

Faculty Member, Universita Della Svizzera Italiana, European Advanced Ophthalmology Education School (2012-present)

Editorial Board, International Journal of Keratoconus and Ectatic Corneal Diseases

Advisory Board Member: Vivior

Consultant: Allotex

Advisory Board Member : Johnson and Johnson

Consultant, Advisor: Zeiss

Advisory Board Member: Mojo Vision

Advisor: Alcon

Refractive Surgery Alliance Member

## CLINICAL EXPERIENCE

Kudret Eye Hospital , Ankara, 2002-2011 Chief of Hospital

Kudret Eye Hospital, Ankara, 2002-2011 Consultant Cataract and Refractive Surgery Department

Dunya Eye Hospital, Ankara 2011-2014  Consultant Cataract and Refractive Surgery Dept

Istanbul Eye Hospital, Director of Refractive Surgery Department (2015-2016)

Medipol University, İstanbul, Assoc Prof  , Director of Cataract and Refractive Surgery Department (since 2017)

## SURGICAL EXPERIENCE

60,000 ophthalmic surgical cases; 25 years of clinical and surgical experience.

Vitrectomy (500 )

phaco iol (monofocal, multifocal, toric iol)

femtocataract (Lensar- Lensx- Catalyst)

LASIK  and PRK  ( Zeiss MEL 80, Wavelight, microkeratome, Intralase, İDesign, Wavefront, Visx S4)

SMILE Relex

Kamra, Raindrop inlay (presbiyopia), Allotex inlay

penetrating keratoplasty

lamellar keratoplasty

astigmatic keratotomy

intracorneal ring for keratoconus treatment

crosslinking treatment for keratoconus treatment

phakic iol (Cachet, ICL, Artisan )

## SOCIETY MEMBERSHIPS

Cornea Society Member with Thesis

American Academy of Ophthalmology, International

European Society of Cataract and Refractive Surgeons

Turkish Ophthalmology Society, Cataract and Refractive Surgery Active Member

Turkish Ophthalmology Society, Cornea Active Member

Internetaional Society of Refractive Surgery (ISRS), Executive Committe member and representative for Turkey

American-European Congress of Ophthalmic Surgery (AECOS) Programme Committe Member (2016- 2019)

## AWARDS:

1. LANS award,, American Academy of Ophthalmology, 2016, Chicago

2. Achievement Award, American Academy of Ophthalmology, the Board of Trustees 2010.

3. Best Poster: “Temporal cone frequency in keratoconic eyes according to different age groups,”American Academy of Ophthalmology 2007 Annual Meeting,”.

4. Special Recognition Award Intacs (Addition technology) Orlando, 2010

5. Best Poster: Turkish Ophthalmology Society “Amnion membrane transplatation in ocular surface disorder treatment” Society of Turkish Ophthalmology XXXV, 2000, Antalya Turkey

6. Senior Achievement Award, American Academy of Ophthalmology, the Board of Trustees 2010.

7. Recognition Award , ISRS (International Society of Refractive Surgery), 2018.

8. ‘Most Innovative Award’ Johnson and Johnson 2018.

9. AECOS 2022- Best Innovative Video Award: Keranatural

10. ASCRS 2019, San Diego, United States of America, Paper Presentation **Best Poster of Session Award Objective Evaluation of Patient Visual Needs for Prebyopia Correction Surgery Planning
